FADE IN:

1 EXT. ROSIE'S DINER - NIGHT 1

Rain hammers the neon sign. MAYA (30s), soaked, crosses the empty lot toward the door. The bell over the door is broken and the windows are fogged from the inside.

2 INT. ROSIE'S DINER - NIGHT 2

LOU (60s) wipes the counter. He doesn't look up.

MAYA
You still make it too strong.
Twenty years and you never once
made it right.

LOU
(not looking up)
You still drink it.

Maya sits. Lou slides a mug across the counter.

3 INT. ROSIE'S DINER - BOOTH - LATER 3

Maya, Lou and DET. REYES crowd the booth. Nobody touches their coffee.

REYES
Somebody start talking.

MAYA
He knows what happened that night.

LOU (CONT'D)
I know what I saw.

4 EXT. PARKING LOT - CONTINUOUS 4

Maya runs to her car. Headlights sweep across her face.

FADE OUT.
